2012 *Tour of Light* Partnership Opportunities

Children of Uganda's dance troupe performers are hard at work training, building their strength and endurance, learning new songs and dances, and of course - dreaming about what it will be like to dance on American stages.

Please join us in bringing these bright and talented young performers, each with their own inspirational story of grace and endurance, to American audiences in Washington DC, New York City, Chicago, and other select cities.

Children of Uganda is looking for supporters to match with 16 special children. We offer you several ways to become a member of the 2012 Tour of Light Family by supporting one child's journey to America.

Our sincere thanks are extended to each of our **2012 *Tour of Light* Mukwano Supporters, Safari Supporters, and Ekitangala Supporters** for giving a gifted Ugandan child from a very vulnerable background the opportunity to share their story, their dreams, and their talents with thousands of Americans. Their experiences in an exciting new world, especially the time spent with their sponsors and supporters, will forever change their worldview.

Children of Uganda is bringing children out of poverty and into a bright future, bringing songs from the deep drumming heartbeat of Africa to American stages, and bringing a message of hope to a world in desperate need of it.

We invite individuals, houses of worship, and corporations to join the 2012 *Tour of Light* Family.

Thank you for welcoming Children of Uganda to America!
